Probation: Allows the licensee to practice as a respiratory care practitioner under terms and conditions for a set amount of time.

Proposed Decision: A decision rendered by an Administrative Law Judge through an Administrative Hearing. A proposed decision must be adopted by the Board before it can go into effect.

Revoked: The right to practice is ended due to disciplinary action. The license is invalidated, voided, annulled, or rescinded. The individual can no longer practice as a respiratory care practitioner in California.
